

A COMPANY PROFILE

Together Group of Companies

The Together Group of Companies was established almost twenty years back in 2002 where the need was felt by a group of compassionate social entrepreneurs that the non – profit organizations were to be assisted in their philanthropic goals. The organization brings in innovation, effective strategies, knowledge management and resource mobilization to connect the nonprofit organizations, trusts and foundations with the potential donors so that the downtrodden of the society can be helped.

Together has brought in a huge difference in the world of philanthropy and has acted as a social catalyst for more than 20 years. There has been work done based on projects that encircle all domains of social entrepreneurial work. The organization is hierarchical in nature with the work being carried out through integrity, sustainable partnership, prioritizing the success of the clients and respect for the input given by all the individuals playing a role in the entire work.
